

I.U.P.A. Benefits Update

July 22, 2010

NLEOMF National Officer Roll Call Project

You have so many stories stored away about your life in law enforcement. Humorous and sad, dangerous and touching, they are remarkable, but untold to all but your closest friends and family. Now you have a chance to share them with others and become a permanent part of law enforcement history.

Officer Roll Call is an online system set up by the National Law Enforcement Officers Memorial Fund that allows law enforcement officers -current and past- to create their own personal profiles and share their experiences. For more information, please visit

www.OfficerRollCall.org.
